SMARTZ STUDIO WEBSITE CARE PLANS

Keep your website right, every month

Your site only helps if it's current. Care keeps it right, so customers always see your real hours, prices and services.

Care

$75/mo

- Hosting, security and backups
- Hours, prices and services updates

SITE + GOOGLE

Care + Google

$150/mo

- Everything in Care
- A monthly Google post and photo
- Hours kept in sync on your site and Google
- Review replies drafted for your OK

What that looks like for your shop

Hours change?
Holiday closings or new hours get updated on your site.

Prices or services change?
New prices, a new service or a dropped one get updated on the site.

With Care + Google
Your Google hours match the site, plus a monthly Google post and photo, and replies to new reviews drafted for your OK before anything is posted.

> **How it works:** text Smartz your change, it gets updated, and you check it live. Month to month, billed monthly.
